SIMPLE REMEDY FOR CATARRH

Just Breathe Hyomei Four Times a Day and Be Cured.

If, a few years ago, some one had said you can cure catarrh by breathing air charged with healing balsams the idea would have been ridiculed, and it remained for that eminent investigator, R. T. Booth, to discover in Hyomei this method of cure.

Hyomei has performed almost miraculous cures of catarrh, and it is today recognized by leading members of the medical profession as the only advertised remedy that can be relied upon to do just what it claims. The complete outfit of Hyomei costs but \$1.00 and consists of an inhaler, a medicine-dropper and a bottle of Hyomei.

Rev. J. B. Cook, of Holliston, Mass., says: "My wife has suffered greatly from catarrh for fifteen years. Nearly four weeks ago she commenced to use Hyomei and the beneficial effect was immediate. It is very seldom that she needs to clear her head and throat and she is able to rest quietly at night."

Breathe Hyomei through the inhaler for a few minutes four times a day and it will cure the worst case of catarrh. It soothes and heals the mucous membrane of the air passages, prevents irritation and effects a complete and lasting cure.

In Barre there are scores of well known people who have been cured of catarrh by Hyomei. If it does not help you Rickett & Wells will return the money you paid for Hyomei.
